A SPECIAL INVITATION

This special event provides our educational, medical, clinical, and child welfare professionals with the unique opportunity to hear from two specialists in Trust-Based Relational Intervention®, Sarah Mercado and Cindy Lee. Sarah is a Training Specialist from the Karyn Purvis Institute of Child Development. Sarah focuses on instructing care professionals in TBRI® as they work with children who have experienced trauma. Cindy specializes in providing counseling services for children, adolescents, and adults. Cindy is a TBRI® practitioner, a published author, and serves as a mentor for other practitioners.

THIS BONUS EVENT

Sarah and Cindy have kindly agreed to address a select audience of professionals for a two-hour TBRI® overview ahead of the main all-day training June 22nd.

WHY TBRI®?

These TBRI® events are a response to the needs expressed through local ACEs and Strengthening Families trainings. TBRI® is designed for children from “hard places” such as abuse, neglect, and/or trauma. Trust-Based Relational Intervention® is currently listed on the California Evidence-Based Clearinghouse for Child Welfare (CEBC) registry, and is rated as being “Highly” relevant in the child welfare system based upon the program being designed to meet the needs of children, youth, and families receiving child welfare services.

**THIS EVENT IS FREE TO EDUCATIONAL, MEDICAL,
CLINICAL, AND CHILD WELFARE PROFESSIONALS.**
